

Curriculum Vitae – Shawn Dsouza

WORK EXPERIENCE

Ph.D. Student

February 2021 - Present

Center for Ecological Sciences, IISc.

Thesis: Fishes *do* fear the reaper: Human disturbance and anthropogenic fear in natural systems.

Research Affiliate

May 2022 - Present

Dakshin Foundation

I manage the elasmobranch monitoring program in Malvan, Maharashtra and other landing centers along the Indian coastline. I also consult on various ongoing projects concerning marine systems and fisheries.

Research Assistant

June 2017 – February 2021

Dakshin Foundation

I studied the effects of fisheries on sea snake species' interactions using a combination of stable isotope analysis and fisheries dependent methods. I also managed the bycatch projects at the organization as well as outreach and communication activities for the same.

EDUCATION

M.Sc. Biodiversity

2017

M.E.S. Abasaheb Garware College, Pune.

Savitribai Phule Pune University

CGPA: 8.65/10

B.Sc. Zoology

2015

S.I.E.S. College of Arts, Science and Commerce, Sion, Mumbai.

Mumbai University

CGPA: 6.17/7

Preprints under review

1. **Dsouza, S.**, Shanker, K., & Thaker, M. (2024). Are super-predators also super-scary? A systematic review and meta-analysis of animal responses to human interactions. *bioRxiv*, 2024-08.

Conference presentations and posters

2024

“Are superpredators also super-scary? A systematic review and meta-analysis of the effect of human interactions on animal behavior”

Talk at ISBE annual meeting 2024, Melbourne

2019

“Fishing for sea snakes”

Student talk at SCCS Cambridge 2019.

2017

“Can butterflies improve conservation?”

Student poster at SCCS Bangalore 2017.

INVITED TALKS

2019

” Sea snakes: Ecology and Threats”

Talk at Centre for Ecology and Conservation, University of Exeter (2019)

GRANTS, AWARDS AND FELLOWSHIPS

2024

ISBE Travel Grant

International Society for Behavioral Biology

USD 2500 (approx. INR 2,10,000)

2022

Prime Minister’s Research Fellowship

Indian Institute of Science, Bangalore.

2021

GATE Fellowship

Indian Institute of Science, Bangalore.

2018

Mangrove Foundation of Maharashtra

Small Grant – Rs. 4,70,000 (approx.)

Rufford Foundation

Small Grant – Rs. 4,65,000 (approx.; converted from GBP)

2017

World Wildlife Fund – India

Small Grant – Rs. 80,000
